*Authority Leads Us On*

## *Dr. James Burris Johnson*

DR. J. B. JOHNSON, *Superintendent of Schools*

A man who has done much for educational advancement is our Superintendent of Schools, Dr. J. B. Johnson. We are pleased to join the many hundreds who have graduated under his fine leadership, and wish to offer our sincere thanks for the countless hours of patience and guidance that he has extended to our community.

MR. E. M. LEAMON, *Assistant Superintendent*

This is Mr. Leamon's 6th year of valuable assistance to Dr. Johnson. He has added much to the betterment of our school system.

*E. M. Leamon*

MR. MACY PRUITT, *Administrative Assistant in Charge of Junior and Senior High Curriculum*

It is to Mr. Pruitt, our Administrative Assistant, that we owe our thanks for the fine curricula offered at our Junior and Senior High Schools.

*Macy Pruitt*

MR. C. R. WRIGHT, *Administrative Assistant in Charge of Vocational Education*

Mr. Wright, the number one Vocational man for School District 11, has done an admirable job in the advancement and counseling of our vocational students.

*C. R. Wright*

*Director of Health and Safety*

R. S. MINSKER

*Director of Curriculum*

E. P. WATERHOUSE

*Director of Building and Grounds*

It is the purpose of the Board of Education to develop the total school program in terms of what is best for the child in the American way of life. The curriculum, the techniques of teaching, the materials used and the atmosphere of schools and classrooms are being set up, administered, and adapted, in so far as possible, to meet the needs and provide for the potentialities of the pupils. The Board of Education stresses this type of learning which gives special attention to the physical, mental, emotional, and social development of children as well as to their mental growth.

Such a philosophy gives each teacher a part in (1) determining the needs of children; (2) building objectives for the major subject matter areas that link with one another; (3) utilizing the varied learning experiences; and (4) evaluating the outcomes. The realization of such a program demands the highest degree of efficiency on the part of all those connected with the Alton Public Schools and encourages teachers and pupils to work to the best of their ability.

We are thankful for the work the Board has done this year, and we are grateful for the opportunities and advancements their work has given to us.

Alton Senior High School, in the school year 1958-59, was rated one of the top high schools in the state of Illinois. This rating was not acquired by pure chance. It took some student work, some teacher work, and a lot of trained and expert guidance. This guidance has been provided by Mr. G. C. Davis, head administrator of Alton High.

Assisting Mr. Davis, are Mr. Anton Jureziz and Mr. George Abner. Without the constant, ever-anxious work of these two men, Alton High would never be the superb school it is.

With the continued guidance of men such as these, Alton Senior High School shall forever continue to be the best and foremost school in the minds of our fellow classmates and the citizens of Alton.

# Office Staff

Doris Taylor, Hallie Carr, Margaret Davis, Helen Ferril, Marcella Griffin, Alice Smith, Doris Towse, Patricia Viera.

*Row Four:* Coach Posey, Dave Czerney, Dick Adams, Don Redenbo, Bill Harley, John Harlow, Richard Knight, Bob Ebler, Jerry Maple, Charlie Schwartz, Arthur Greenwood, Coach McClain.

## Junior Group

# State

The Alton High Redbird Harriers have taken their second consecutive Beaumont Invitational Cross Country meet in Saint Louis. The two-milers won first place in the Southwest Conference for the fifth straight year. The Birds went on to win their seventh consecutive district championship. Alton then went to Peoria to get a little respect. The Redbirds took their second straight Peoria meet.

Coach Neal Schmelzel proved he had the team to make history for Alton High. Mr. Schmelzel then took nine boys, with only victory in their eyes, to compete with other teams from many parts of the state. The Alton High Redbird Harriers left Alton with a smile and came back home with the State Championship.

# Champions

Row One, Left to Right: Alan Bresson, Tom Butler, Donald Urban Gubser, Ed Pierce. Row Two: Art Greenwood, Dick Adams, Dick Knight, John Wedig, Malcolm McLain. Row Three: Bob Lewis, Dan Watrous, Andy Farnbach, Jim Seago, Manager, George Lammers, Ron Mayhew, Henry Vassar. Row Four: Bob Middleton, Coach Schmezel, Albert Patterson, Joe Stock, Mike Percil, Jim Ervin.

# Golf

The Alton golf team swung their way to a 7 win 1 loss in a dual meet. Alton went to Quincy to compete with twenty teams, and finished tenth in that big meet. Just to prove that they were a good team, the Redbird golfers took their third straight conference championship. Not content with their honors, the willing golfers went on to take their second consecutive district championship. From the district, the club's swingers advanced to the 22 team state golf meet, at Champaign, Illinois. Mike Thiele finished in a five-way tie for second place among the individuals, and the Redbirds settled for sixteenth place.

The man that was at the boys side giving them the deserved encouragement was Coach Neal Schmelzel.

*Row One, Left to Right: Gary Lawson, Tom Butler, Jim McBrien, Mike Thiele. Row Two: Coach Schmelzel, Dave Stupperich, Rodney Tutt, Dave Keasler.*

# Congratulations

What does the future hold for you? For each of you, the answer will vary with individual talents, aptitudes and ambitions. But for all of you, this is true: Right here in your own home town, you will find broad scope for growth, progress and outstanding achievement in the career of your choice. Whatever your aim may be . . . from industry to retailing, from banking to journalism . . . you will find here a world of opportunities to build solidly for success. When you look to the future, look first at home!

*Serving your community  
for over 55 years.*

## KEEPING THE HOME FIRES BURNING

Consumers and businessmen the world over know the Olin Mathieson Chemical Corporation as one of the world's largest producers of chemicals, metals and packaging materials. But to the citizens of St. Louis, Alton, East Alton, Wood River, Bethalto, Cottage Hills, Edwardsville and many other neighboring communities, Olin Mathieson has a much more personal meaning. It's "the job" or "the office" to over 5,000 of our neighbors — their home away from home.

If Olin Mathieson is especially proud of the contribution our payrolls have made to the growth of the Southern Illinois-Greater St. Louis area, there is a very good reason. Some sixty-six years ago, we were born here. We grew up here. Many of our finest people, wherever they may now be working, were and are from this area. If today Olin Mathieson operations are world-wide, one of our largest plants is still in East Alton. This area is our home, as well as yours, and we're proud of it. That's why we'll always join with you, in any way we can, to make this a still better place to live and work.

# OLIN MATHIESON CHEMICAL CORPORATION

East Alton, Illinois

*"The Priceless Ingredient Of Every Product Is The  
Honor And Integrity Of Its Maker"*

## Teens and Adulthood

**TEENS STRIVE** toward adulthood. Many of them can qualify for it . . . something all adults can't claim to do.

**TRUE ADULTS** can stand evaluation . . . from both themselves and others. It is the job of newspapers to report what teens as well as adults do day by day. Can teens stand this evaluation? We believe most of them can . . . particularly the kind of teens Alton High School produces.

We pledge our best efforts to give the most objective evaluation humanly possible in our day by day accounts of events.
